

English Language Arts

www.kidsacademy.mobi

Welcome to Kids Academy's collection of expert advice and ready-to-use activities on English Language Arts.

Our articles feature useful tips and learning materials to help your young student practice essential English language skills and grow academically. They will also give you a better idea of how to guide and support a child throughout their learning journey.

The collection is going to expand monthly to incorporate more topics for academic levels from pre-Kindergarten to grade 3. Use the catalogue below to navigate through the educational articles.

English Pre-K

- [Unit 1. Early Literacy Skills](#)
 - [ABCs](#)
- [Unit 2. Vocabulary](#)
 - [Common Words](#)
