Week 8 Contest

A new contest begins on June 20, 2021 and ends on June 26, 2021.

To become this week's winner, and earn a digital certificate, kids need to succeed in at least one of the following nominations:

1. Pre K Games

It's your chance to shine on playing games! The child who successfully completes the most games across all Pre-K Grade courses will be the learner who earns the top title in this category.

1. Grade K Thursday

It's your preschooler's time to shine! All activities successfully completed across any Grade-K course on Thursday will put your child's name in the running on Thursday!

1. Grade 1 Videos

The more videos kids watch, the more they learn! The child who watches the largest number of videos across all Grade 1 courses will be the learner who earns the top title in this category.

1. Grade 2 Tuesday

It's your preschooler's time to shine! All activities successfully completed across any Grade-2 course on Thursday will put your child's name in the running on Thursday!

1. Science Grade 3

Show off your Grade 3 science skills! Practice the Grade 3 Science course to win the points for this nomination!

1. Grade 2 Worksheets

The more worksheets students complete, the more they learn! The child who successfully completes the most worksheets across all Grade 2 courses will be the learner who earns the top title in this category.

1. Chess Grade 1

Show us your child's success in chess! Complete as many activities as possible in the Chess Practice course for Grade-1.

Don't forget that children can earn certificates for taking the top spot in multiple nominations! The more nominations a child wins, the more certificates and points they gain. Learn more to win more with our weekly contest hosted by Kids Academy!
