Helping Parents and Educators Transition to Distance Learning

www.kidsacademy.mobi

Here at Kids Academy, we know how stressful it can be for both teachers and parents to face school closures. We want to help prevent learning disruptions while school is out by offering families, educators, schools, and districts a 50% discount on all our membership plans.

Please take a moment to share this information with your friends, teachers, and colleagues who might need it.

For Parents and Families

We can help your kids learn from home by setting up a distance learning environment. Here's what Kids Academy can offer your family:

- Ready-made lessons along a personalized learning path aligned with your school curriculum
- Immersive activities that can be done both on and off the screen for a varied learning experience
- Instant grading with positive, friendly feedback
- Up to 3 children profiles under one account

You can also speak with your teacher to see if they will be willing to assign tasks to your kids via Kids Academy. Simply [share this post](#) with your teacher or school rep. If you have any questions don't hesitate to [contact us to learn more](#).

For Teachers, Schools, and Districts

For educational accounts, we're waiving all setup fees and will provide teacher training, priority customer support and do everything we can to help take learning online while schools are closed.

Here's what Kids Academy has to offer your new virtual classroom:

- Customizable standards-aligned learning plans
- 3,000+ interactive learning activities: games, videos, worksheets, quizzes, and more
- Ways to differentiate instruction by individualizing lessons, assignments, and assessments with just a couple of taps
- Detailed progress reporting and remediation tools
- A COPPA and FERPA compliant platform to put your mind at ease
- Quick and easy set up for use both at home and in the classroom

There are several license options for educators.
