

New Games Ignite Winter Season

www.kidsacademy.mobi

Winter holidays are over, and we are back to our normal blog routine. You now know a lot about teaching kids the alphabet, tracing and writing letters, and even reading activities. Stay around for more informative articles on children's development - we are resuming our regular blog posts!

Meanwhile, enjoy the latest update to our interactive book app "Three Little Pigs and Big Bad Wolf". It features some mind-blowing games for the whole family!
