Top 5 Interactive Features of the Three Little Pigs Story Book

One of the most fascinating features of our book app 'The Three Little Pigs and the Big Bad Wolf' is its interactivity. Interactive features are 'tappable' and bring kids unpredictable surprises. Tapping also involves children's motor skills, which had better be developed as early as possible.

Tappable features of our book app are delightful. Do you know which of them are most popular with children? Here's a list of Top 5 :

Pigs themselves

Tap the characters to bring them to life!

Big Bad Wolf

With a single tap he starts huffing and puffing and blows down the houses.

Pigs' houses

You can help the three little pigs build their houses again by tapping the foundations of the houses.

Pigs' home accessories

Sniff-Sniff, Snaff-Snaff, and Snuff-Snuff have a lot of pretty accessories inside their house: a book, a clock, the 'Best Pigs in Town' award, and many more. You can find all of them inside Snaff-Snaff's house and in the Smart Detective game.

Pigs' props

There are also 'tappable' features around the piggies' houses: see what happens when you tap a scarecrow, a mailbox, or an owl in the hollow of a tree.

Besides the interactive features, the Three Little Pigs and Big Bad Wolf story book also contains educational Fun Games. Among them are Interactive Puzzles, Smart Detective, and a house blowing Puff Striker!

All these features of our story book bring kids a lot of fun and excitement and emotionally engross them into the adventures of Sniff-Sniff, Snaff-Snaff, and Snuff-Snuff.
