# Kids Academy Featured in the App of the Day

[www.kidsacademy.mobi](http://www.kidsacademy.mobi)

We're proud to announce that we have been featured on App of the Day, a leading site that shares information about mobile apps every day. Have you ever been curious for a sneak peek behind the scenes to know more about our app developer and creator? Get the lowdown here all included in this exclusive interview with Kids Academy senior developer Denis Maslov.

This article takes a closer look at the brains behind our creation and shares some insight about future features to come. Click here to [check out the entire post](#), and thanks to App of the Day for the awesome coverage!
